

trim line

bleed area

48x48mm

A diagram of a square with rounded corners. The square is defined by a solid black line, labeled 'trim line' at the top. Inside this square is a dashed blue line, also with rounded corners, representing the inner boundary. The area between the dashed blue line and the solid black line is labeled 'bleed area' at the top right. In the center of the square, the text '48x48mm' is written in a bold, red, sans-serif font.
